Hi MERLE KEISER. This is Pam with Parkway Chevrolet. A friendly reminder that your first FREE service from GM on your 2025 Tahoe 1GNS5SRD4SR170038 that was purchased on 3/24/2025 is close to expiring (if you had it done recently it may not have updated yet). Please take advantage of this FREE service - once it expires we can't get it back for you. If you are ready or have question simply respond. Thank you

MERLE KEISER

When does it expire?

Pam

Hi Merle, your free maintenance expires 1 year from your purchase date, so it will expire on 3/24/2026. Let me know if you'd like help scheduling your appointment!

MERLE KEISER

Perfect! I got oil change from different place but before 3/24 I'll be ready for another and come by

Pam

That sounds great, Merle! Just a reminder—this free service includes oil, filter, and tire rotation, and is only valid until 3/24/2026. When you're ready, you can schedule online at <https://www.parkwaychevrolet.com/schedule-service.html> or call us at (832) 843-7200. Looking forward to seeing you!

MERLE KEISER

Thanks 🙏

Pam

You're welcome, Merle! If you have any other questions or need help scheduling, just let me know. Have a great day!
